

# English Enrichment Program

## The Lit Lounge: Read, Reflect, Connect

Explore literature that speaks to today's teens. From graphic novels to short stories and modern classics, this relaxed reading circle encourages critical thinking, vocabulary growth, and thoughtful discussion.

**Focus:** Reading comprehension, vocabulary, literary discussion

**Skills:** Text analysis and interpretation, critical thinking

---

## Hot Topics Weekly: Explore the World in English

Where global issues meet student voice. Each week, teens engage with articles, videos, and discussions around current events—from technology and environment to pop culture and politics. Emphasis on forming opinions, summarizing, and expressing ideas clearly.

**Focus:** Listening, reading, opinion writing

**Skills:** Critical thinking, summarizing, media literacy

---

## Writing Lab: Creative & Academic Writing

A writing workshop for both imagination and clarity. Whether crafting original stories or writing persuasive essays, teens develop a strong voice and structure in English. Each session balances creative expression with foundational academic writing skills.

**Focus:** Writing development (creative + academic)

**Skills:** Narrative writing, essay writing, grammar, editing

---

## Real Talk: Speak English with Confidence

Authentic conversations that build real-world fluency. From debates and interviews to role plays and storytelling, this class gives teens a safe, supportive space to speak up. Focused on everyday English, natural pronunciation, and conversational flow.

**Focus:** Speaking & listening

**Skills:** Fluency, pronunciation, spontaneous dialogue, interaction strategies

---

## Stream & Speak: English through Podcasts and Series

Learn English the modern way. Each session dives into episodes from popular series or podcasts, building vocabulary, listening skills, and cultural understanding.

**Focus:** Listening comprehension, real-world vocabulary

**Skills:** Note-taking, paraphrasing, opinion sharing, slang & idiom awareness

---
